

Dane County Commercial Revitalization Loan Fund

The Dane County Commercial Revitalization Loan Fund (CRLF) provides financing to businesses and real estate development projects that help revitalize downtown and commercial districts. The objectives of the CRLF are to:

- Promote infill development and commercial redevelopment in downtown and traditional business districts
- Encourage the creation or retention of employment opportunities for low and moderate-income County residents.
- Leverage new private investment in downtown business districts and traditional business districts.
- Promote developments that are pedestrian friendly, that encourage a range of transportation options, and that enhance civic life.
- Implement Dane County and local community revitalization goals and objectives; and
- Create jobs for low-to moderate income residents of Dane County

Funding Source: Dane County Community Development Block Grant (CDGB) funds

Qualifying Applicants: For-profit businesses, not-for-profit organizations

Uses of Loans: Fixed assets, machinery and equipment, and working capital
Minimum loan size is \$25,000. Maximum is based on availability of funds
The loan term will be equal to the useful life of the assets financed
